RE: Letter of Candidacy

Please consider this my letter of intent to run for a vacant position on the HOA Board. I have lived in our community since July of 2015. Before that, I lived in a single family home in Deerfield for almost 20 years. Although I have never served on the board of a homeowners association, I have served on the board and on committees in various schools, where I was responsible for negotiating contracts, communicating and coordinating with staff and outside vendors, setting budgets, ordering supplies, and organizing events. By walking through our community, being attentive, and periodically going to board meetings, I have become familiar with a number of the issues faced by our neighborhood. I have a strong desire to see our community flourish and remain as beautiful as it is today. I also have a strong desire to see that happen while working within a reasonable budget that works for our community. I feel that my experience, knowledge and desire will be an asset to the Board.

Respectfully,

Shari Friedman
